SPRING OPENING

Just imagine everything you could desire in shoes for every occasion, gathered together in one comprehensive assortment in one place. This sums up in a few words our "Dorothy Dodd" display for Spring.

To accompany suits of Serge, Ratine, Linen and other popular fabrics are shoes of every description, in a bewildering variety of new, novel materials. Here, too, are styles to suit the soft, lustrous taffeta silk, pronounced by Paris modistes to be **the ultra thing for Spring and Summer wear.**

Patent Leather, Suede, Tan Russia, Black Calf, soft, luxurious Black Kid, the new Buckskins and all the novelty fabrics are represented.

And here also the matter of economy comes in, for you can actually buy four pairs of "Dorothy Dodd" Shoes for the price you are charged for two pairs at Custom Shops. And the Custom Shop styles are no better.

Button, Lace, high and low, all famous for their style, for their suppleness and their faultless fit.

From this delightfully varied assortment it is a simple matter to select the two, three, or four pairs necessary to complete your Spring outfit.
